

IRA LINK SYSTEM NETS

Michigan Noontime Round Up ~ Monday, Wednesday, and Fridays at 12 noon.

The purpose of the net is to promote activity on the IRA Link System and to help identify any problems that might be occurring with system repeaters. The net also is a great way for Michigan hams to communicate with each other during the mid-day hours while mobile, or just looking for conversations with fellow hams. We always have an interesting topic or two for discussion, as well as a trivia question for each session.

Any questions, contact Tom Behler (KB8TYJ) tombehler@gmail.com

IRA After Work/Dinner Net ~ Tuesday, Thursday and Saturdays at 6 p.m.

The purpose of the net is similar to that of the Noontime net. However, the net will take more of a round table format, dedicated to promoting open discussion and questions. Everyone is welcome! Newly-licensed hams are especially encouraged to check in. Family members are invited to listen and possibly participate as well.

Any questions, contact Rick Fyan (KE8IKT) KE8IKT@outlook.com

Michigan VHF Traffic Net (NTS) ~ Monday, Wednesday and Fridays at 9:00 p.m.

Any questions, contact Bob Berger (K8RDN) K8RDN73@GMAIL.COM

Insomniac Net ~ Fridays at 3 a.m.

Do you have trouble sleeping at night? Or, are you just a basic night owl? If so, we have just the net for you! It's the IRA Link System Insomniac Net! The net operates every Friday morning at 3 a.m. The net will take a round-robin format and will run as long as needed.

Any questions, contact Steven Bishop (KD8MEY) scubabishop@yahoo.com

After School Net ~ Mondays at 5:30 p.m.

Are you elementary-school to college-aged? If so, our newest net is designed just for you! It's called the After School Net. The net occurs Mondays at 5:30 PM Eastern time. The net focuses on topics of interest to those in the younger age groups. Both licensed and non-licensed hams are welcome, although any un-licensed ham will need to check in as "third party". Hams in other age groups will also have an opportunity to check in toward the end of the net.

Any questions, contact Wes Bustraan (W8WJB) wbustraan@gmail.com

Amateur Radio News Line ~ Tuesdays at 12:00 noon

ARRL News ~ Thursdays at 12:00 noon

If you have any questions on any net, contact Tom Behler (KB8TYJ) IRA Net Operations Director tombehler@gmail.com
